8. Sengkang General Hospital can only process your application upon fulfilling the verification and receipt of all necessary forms, supporting documents and payment.
9. As a general guide, the time required for processing medical reports is about 4-6 weeks, from the date of receiving the completed forms, or the date of medical appointment for assessment, whichever comes later. However, the processing time will be delayed due to the following reasons:
- Patient has been admitted to the ward
  - An assessment is needed before report can be done by our doctor
  - Doctor is away on leave
10. Requests for medical report/completion of form/copies of lab results are chargeable as the regular consultation and hospitalization fees paid do not include cost for medical report. A fee has to be levied for this additional service of providing medical reports to cover the hospital's administrative costs and the doctor's professional inputs. This is a standard practice across all Public Healthcare Institutions.
11. The release of the medical information is subjected to the official approval by Sengkang General Hospital.
12. A refund of the payment will be made in the event that the medical information cannot be released.
