

# Controversies in Neurosurgery: An Update

Join us in Singapore for a workshop hosted by the National Neuroscience Institute and the World Federation of Neurosurgical Societies, tailored to junior Neurosurgery consultants and residents, exploring controversies and considerations in common neurosurgical conditions.

## Programme Highlights

### Pre-Course Dissection Workshop

Fri 15 Aug 2025

Refine your mastery of essential neurosurgical approaches. Small groups: 1 tutor to 2 participants.

### Main Seminar

Sat 16 & Sun 17 Aug 2025

Engage with expert panels in open debates on illustrative cases, covering a wide range of topics in general neurosurgery and its sub-specialties.

**AUGUST 15-17, 2025**

### Venue:

Academia,  
Singapore General Hospital

### Fees before GST:

SS750 (Dissection Workshop)

SS150 (Observer Spot)

SS250 (Main Seminar)
